# Standards for Inclusive Higher Education

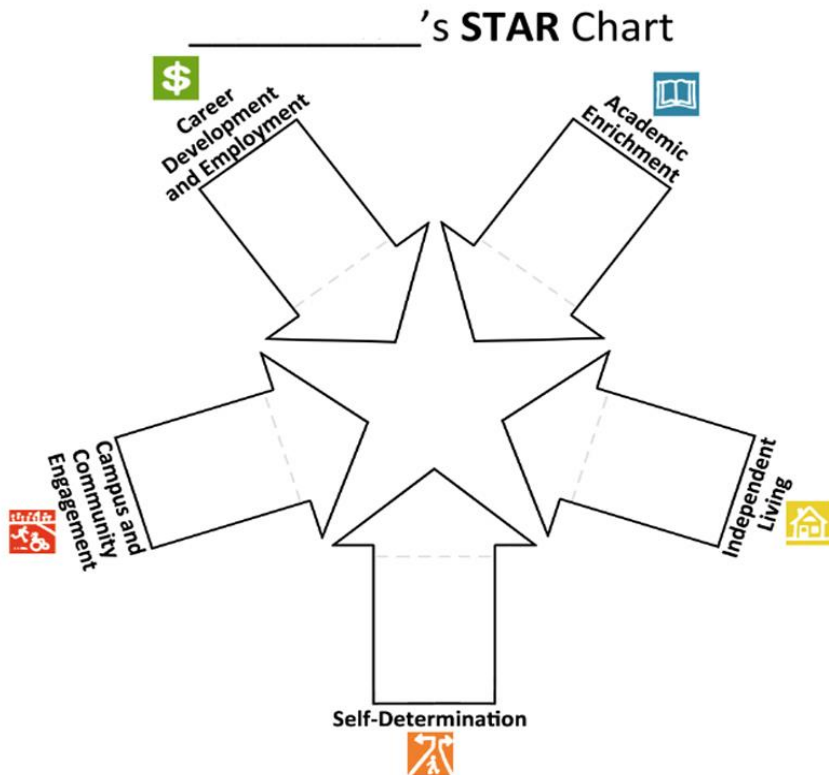

# The STAR Person-Centered Planning Process

- The STAR process was developed by the Florida Inclusion Network in partnership with the Consortium
- Focuses on the student and includes input from family, friends, educators, etc. who can contribute to the student's life plan.
- Makes it possible to combine the student's course of study, person-centered planning goals, and IEP goals into one coherent student plan.

# STAR Person Centered Chart

The STAR PCP Process focuses on the following domains:

**Career Development and Employment**

**Academic Enrichment**

**Campus & Community Engagement**

**Independent Living**

**Self-Determination**
