FIU Embrace Education – Application Process

Completed application packages must be submitted either via postal mail, electronic mail, or dropped off in person). **Any incomplete application that is submitted will not be considered for admission.**

Please **drop off/mail** application materials to:

FIU Embrace
Attn: Krystal Sutherland
11200 SW 8th Street
PG6, Suite 150
Miami, Florida 33199

OR **email** application materials to: fiuembrace@fiu.edu

Once it is determined that the applicant has submitted a completed application and appears to meet the minimum criteria for the program, the applicant and parent(s)/guardian(s) will be scheduled for an interview with the FIU Embrace team. The interview is held to gauge the applicant's needs and fit for the program. You will be notified by letter or email regarding whether or not you are granted an interview. After reviewing the application materials, if the applicant is determined to not meet the minimum criteria necessary to be successful in the program, they may not be granted an interview and/or be accepted into the Education program.

The FIU Embrace staff will reach out to the applicant and their family to notify that the application has been forwarded for a psychological evaluation. It is required that the applicant and parent(s)/guardian(s) be present to complete the psychological evaluation. The FIU Embrace staff will connect the applicant/family to the FIU Embrace Psychologist to schedule the psychological evaluation.

Following the issued psychological evaluation, the applicant may be invited to participate in a mandatory Match Day at FIU with the current FIU Embrace Education students, other applicants, and FIU Embrace staff.

Once the psychological evaluation, interviews and Match Days have been completed, the FIU Embrace Selection Committee will meet to finalize offer decisions for the incoming cohort. If an applicant is offered admission to the program and the applicant **declines** the offer, then the applicant/family is responsible for paying the cost of the psychological evaluation. The decision to offer or deny admission to the program will be made by the Selection Committee in their best judgment and in the best interest of the applicant.

The applicant will receive an email from the FIU Embrace program providing the final decision of acceptance or denial.

Application for Admission

The FIU Embrace Education program is a three-year, non-degree, certificate inclusive postsecondary transition program for students with Intellectual Disabilities (ID) and/or Autism Spectrum Disorder (ASD). The primary goal of the program is to offer a comprehensive and integrated university-based education that is inclusive and accessible and promotes competitive integrated employment and independent living in the community.

Students participate in a variety of program activities through a system of supports provided by faculty, academic and social mentors, university-based resources, and other key project personnel to ensure that individual and program goals are met. A Professional Readiness, Community Engagement and Inclusive Living Certificate will be issued by FIU's Continuing Education Department upon the successful completion of all components of the program and students can earn digital badges, micro-credentials, and industry level certifications in their selected area of specialization.

MANDATORY IMMUNIZATION REQUIREMENTS

Immunization Policy:

As a prerequisite to registration, Florida International University requires all students to comply with the following immunization policy regulations from the Florida Board of Governors regarding measles, mumps, rubella, meningococcal meningitis and hepatitis B immunity.

1. Measles, Mumps, Rubella:

- All students born after December 31, 1956 must present documented proof of immunity to measles (rubeola) and German measles (Rubella), as described below:

Acceptable Proof of Immunity consists of:

- a. Proof of two (2) vaccinations (doses) of MMR (Measles/Mumps/Rubella) received on or after 12 months of age, taken at least 28 days apart, AND in 1968 or later
 - b. Proof of immunity by way of a **positive** blood test lab result (measles and rubella titer)
 - If titer results are negative, student will have to receive the full MMR vaccine series (2 doses) to boost immunity.
 - c. A written statement from a healthcare provider documenting a diagnosis of measles (rubeola). Must include date of diagnosis, and be signed by the healthcare provider on his/her official stationery. This is acceptable for **measles only** and does **not** apply to rubella.
- For information regarding medical exemptions or temporary deferments from this mandatory vaccine requirement, please visit dasa.fiu.edu and click on the "Registration Holds" link and then "Immunization FAQ."

2. Meningitis and Hepatitis B

- All students must present documented proof of vaccination/immunity to meningococcal meningitis and hepatitis B as described below.
NOTE: The meningococcal meningitis vaccine is NOT the same as the vaccine against Meningitis Serogroup B (i.e. Trumenba or Bexsero); therefore, proof of either of these incorrect vaccines is not sufficient to satisfy the immunization requirement.

Acceptable Proof of Immunity consists of:

- a. Proof of one dose of meningococcal meningitis vaccine and a total of three doses of hepatitis B vaccines
- b. Proof of immunity by way of a blood test lab result (applicable to hepatitis B only)

Exemptions:

Students declining to receive vaccination for Meningitis and/or Hepatitis B must accept a waiver of liability acknowledging that they have read information pertaining to the disease and despite knowledge of the risks have decided to waive receiving the vaccine. These waivers can be accepted and viewed on my.fiu.edu under the "Student Tools" and "Student Health" tabs.

NOTE: A parent or legal guardian must sign the waiver for any minor under the age of 18. Parents or legal guardians may contact Student Health Services or obtain the form by visiting dasa.fiu.edu.
